Town Council,

Please see the below email about the Stettinius CUP application before you for a vote. They are removing the pool house from the application

Justin-

I met with Carrie Stettinius last Thursday, and they would like to proceed with their CUP application for the swimming pool location, but will forego building the two story pool house shown on the plans.

We do not have time to revise the drawings in time for the presentation and discussion, but trust that will not delay this moving ahead.
